“ *My Dearest Mom,
Before you go, I just want to say~ God lovingly Blessed me with
you...
I thank you for every moment you gave to me, of your life's time.
I appreciate the good, I except the bad & though I am responsible
for the person I am today, I thank you for inspiring & influencing who
I became.
I thank you for allowing me to be my own person & for your
encouragements~
For listening more than talking....Some how your soul knew I
needed this.
Here I sit, still chatting away, while your precious soul patiently waits
for me to finish my say~ Forgive me for holding on, so hard to let
you go.
With a Full Heart, Great Gratitude & Ever so Much Love~
Mom.....Good-Bye, till we meet again~
Forever & Always, your little girl.*
