*I miss seeing that beautiful smile of yours babe!!! It was so beautiful and contagious!! You were such an amazing father to our beautiful girls, we all miss you so very much! There is a strange emptiness I'm a house and a hole in Our hearts that will never heal with you being gone! I hope you know how much you are loved and missed!! I talk about you all the time with our girls and tell them how much you love them and how happy it made you to be their father!!! I miss you more and more as the time passes! I wish I had gotten to say goodbye, and give you and hug and a kiss and tell you one last time how much I loved you an how important you were to me..... You were my whole world!!! I wanted to grow old together!!! That was my dream since the day we fell in love with one another!!! No one can ever replace you! My life will never ever be the same without you in it!!! You are always on my mind, not a day goes by that I don't think about you or share a memory about you!!! I have pictures of you and our family all over the house so the girls can still see your face everyday! I know it's not the same, but its the best I can do since I can't bring you back in to our lives where you belong!!!! Your life was cut short and I will never know why! Nothing will ever make this easier for me, but I live by the knowledge and the advice you taught me over the 9 years I got to share with you!!! I want to thank you for everything you've done for me and our family we built!! I cherish our memories together, I just wish I had more time to make so many more memories!!! I love you so much, our love was strong and true. It was perfect for us, you made me so happy!!! I can never thank you enough for the years of happiness you brought me, and for helping me being two beautiful and amazing children in to this world!!! I hope you're at peace, and I hope your still with me everyday in spirit!!! I love you boo bear!!! I will be in your arms again one day, and only on that day will my wounds ever heal!!!! R.I.P Michael Jakubowski❤️ always know you were my one and only true love!!! 😭😭*
