“ I was sorry to learn of the recent passing of Bob and send my condolences to the family. Some time ago I was trying to reach his father and Bob called me to let me know his father was no longer living. I was very fond of his father when he resided in Harrisonburg when I worked for IBM and we used to lunch together often. At the time of his phone call we had a chance to talk about when he lived in Harrisonburg and of course, his time at HHS. Bob knew my three nephews from high school and many mutual friends around Harrisonburg. I was very sorry to read of his passing in the DNR.
