

Robert John Szabo

July 23, 1963 - January 4, 2015

“ I am watching over you from the stars,

Don't be scared, I know exactly where you are,

Cause there is a piece of me and its burning in your heart

Even death could never tear us apart”

Robert John Szabo, 51 years young, passed away peacefully in the arms of his loved ones too soon.

Bob was a loving husband, father, and grandfather. He would always put others before himself and made sure that everyone was having a good time. His pride and joy was watching Brittany and Travis grow into the amazing adults they are today. Nothing made Bob happier than being a grandfather to Logan. Every time Logan would come visit, Bob's eyes would get an extra sparkle in them.

Bob loved spending time in Mexico with our best friends Doug & Maureen “Mo” and riding his Harley with our amazing group of friends.

Bob was quiet and shy, but had a way of sneaking into your heart and staying there forever. Its been said that its not the length of life, but the depth of life that makes a difference. Bob's life was cut too short but the depth of his life could fill an ocean!

As Bob & I grew up together, we have met several forever friends from our hockey family to our Bikerz family and for this, I will be forever grateful.

"Yesterday is a memory,

Tomorrow is a mystery and

Today is a gift, which is why its called a present.

What a caterpillar perceives is the end,

to the butterfly, it's just the beginning."

Bob is survived by: Wife of 29 years, Brenda Szabo, Children: Brittany Caravella & Travis Szabo, Grandchild: Logan Caravella, Parents: Bert & Gail Szabo, Siblings: Sherri Askie & Nyla Tresser.

In lieu of flowers, please make donations in Bob's name to the 100 Club of Arizona.

“ Brenda, I have many fond memories of Bob during the hockey years. He was always a good sport with our antics & truly a genuine, kind soul. I'm so sorry he had to go so soon. You & your family are in my thoughts & prayers. ❤️

“ The song "I want a new drug" from Huey Lewis and the news was a popular song when Bob and me started dating. Bob was singing away when we were riding in his big black 4x4 truck. Bob thought the lyrics said "I want a new truck" Took me a few minutes before I noticed he was making up new words that actually sounded pretty good. We laughed about this ever time the song came back on for years

“ Greg Szabo (michigan), I have a few memories growing up as a teenager with my cousin Bobby. One time we went on a canoe trip down the ausable river and we went past the spot where our parents were supposed to pick us up. They finally found us way past dark. Aunt Gayle was in tears and my dad (Ron Szabo) gave it to us real good and made us clean his car the next day as punishment. Our thoughts and prayers go out to Brenda and family.

“ *Bob was one of the kindest people I have ever known. One time when he was a teenager we came to visit and I needed to drop off an ironing board for the daughter of a friend of mine. I had no idea how far she lived, Bob drove me all the way across town took almost an hour and he never complained once and then drug the ironing board up the stairs. I always remembered that day and how sweet he was. Miss you Bob.*

“ So many memories I could never pick just one! But the night he was falling off the bed trying to put on his pajamas at the hotel and Brenda and I could not stop laughing comes to mind at the moment. Will miss you forever Bob Szabo!

“ My cousin Bobby was one of my best friends growing up. I was the "fat girl" and didn't have many friends, but Bobby always saw me, just me. I loved to go visit my cousins in Arizona in the summers and sometimes the holidays, because I knew I would have a chance to have fun with someone who loved me. I love you Bobby and miss you so much.

“ I remember in our younger years when we were all young you and Bob would cook macaroni and cheese with hotdogs every week and Bob called it your filet mignon and pasta !! Money was tight back then for all of us ! I still use that phrase for years when cooking it my sons !!

Bob always seemed to have a smile on his face and a gleam in his eye. I'm sure they're there even now. I so appreciated how he treated my niece Brenda and their children.
