“ Willy,

*Words can never describe how I feel about you. You were my knight
in shining armor. I will always remember the way we laughed and
had adventures together. It hurts me to realize that all our talks of
the future will never be. Every day I will remember you and your
smile. Thank you for giving me your heart and thank you for keeping
mine. I will take care of your mom and Candice, just like you would
want. I will always love you. I love you more than all the leaves on
all the trees and I know you are responding with how you love me
more than all the stars in the sky. I will love you forever.*

Love,
Jenny

“ Sincere regards to all your family. The loss can not be measured, the pain can not be explained. May blessings of your memories ease some of your pain. I am so sorry for your loss, Deloris, Joey , Joanne and Candice.

May God ease your pain during this time of sorrow. May the Lord place his arms around you all, to comfort you. Your Son, brother, and uncle was a great man who made his nation proud. Just like I am sure William made his family proud. Roger Molitor and family.

Our love and prayers are with all of you.
Above you is the Lord's covering, beneath you are His strength and security and around you are His arms of love.

The eternal God is your refuge and underneath are His everlasting arms.

We love you and are thinking of you in this most unbelievable time in your life.
